Erratum to: *Gland Surgery* 2014;3:43-47

In the February 2014 issue of *Gland Surgery*, the mini-review article “*The role of the physiotherapy in the plastic surgery patients after oncological breast surgery*” (1) was published with some errors.

Some data in the figure with the legend “A flow chart of articles included in the review” of that article are incorrect, and should be corrected as follow (*Figure 1*).

**Figure 1** A flow chart of articles included in the review.

We are sorry for the inconvenience caused.
