Ho Leung Ho Lee Foundation Award. He is currently the President of the Second Military Medical University, and he is the Director of the Department of Urology. He is also the Director of the Research Institute for Prostatic Disease of the PLA, and the Director of Changhai da Vinci Robotic Surgery Training Center. Dr. Sun specializes in clinical diagnosis, treatment, and research of urological tumors and urolithiasis, as well as practice and innovate techniques for minimally invasive urological techniques.

We are excited to have Dr. Sun in the position to build on the work of past editors and to add brilliance to *ATM*, and for the journal to reach new heights. We believe that the journal will achieve a higher standard and greater prestige under the leadership of Dr. Sun. Please join us in wishing him all the best in his new role!
