

## Data Sharing Statement

|                     |   |  |
|---------------------|---|--|
| <b>Article Info</b> | <a href="http://dx.doi.org/10.21037/atm-20-5761">http://dx.doi.org/10.21037/atm-20-5761</a>   |  |
| <b>Item</b>         | <b>Question</b>   | <b>Authors' Response<br/>(place "-" if not applicable)</b>   |
| 1                   | Would you like to share data collected for your study to others?  | Yes.   |
| 2                   | If not, would you like to share the reason for your decision?   | -  |
| 3                   | What data in particular will be shared?   | All data collected for our study will be shared.   |
| 4                   | Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code. | Study protocol and statistical analysis plan will also be shared if requested.                                   |
| 5                   | When will data availability begin?  | From the publication date.   |
| 6                   | When will data availability end?  | Two years within the publication date, since the research results may be updated over time.                      |
| 7                   | To whom will you share the data?  | Pathologists and physiologists interested in urology or ADPKD.   |
| 8                   | For what type of analysis or purpose?   | For further analysis to investigate the role of DJ-1 in pathomechanism for ADPKD.                                |
| 9                   | How or where can the data/documents be obtained?  | Emails could be sent to the address below to obtain the shared data: liuwenhu2020@163.com                        |
| 10                  | Any other restrictions?   | We may balance the potential benefits and risks for each request and then provide the data that could be shared. |
