Retraction to: *Stem Cell Investig* 2017;4:74

The article “Engineering of extracellular vesicles as drug delivery vehicles” (doi: 10.21037/sci.2017.08.07) published in *Stem Cell Investigation* in September 2017 needs to be retracted as part of Figure 1 was adapted from some other publication and the authors did not obtain the copyright permission. I sincerely apologize for the oversight.

All authors agree to the retraction of the paper.
