

Data Sharing Statement

Article Info	http://dx.doi.org/10.21037/cdt-20-263	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	The accelerometry data in particular will be shared.
4	Any other documents will be share? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	Study protocol and informed consent form (both in German language) can also be shared if requested.
5	When will data availability begin?	From the publication date.
6	When will data availability end?	Five years from the date of publication
7	To whom will you share the data?	Pediatric Cardiologists who are interested in studies on accelerometry in children with pulmonary hypertension
8	For what type of analysis or purpose?	For analysis of training effects on heart rate variability
9	How or where can the data/documents be obtained?	Data can be requested by email: praxis@kinderkardiologie-fulda.de
10	Any other restrictions?	We may balance the potential benefits and risks for each request and then provide the data that could be shared.
