Dear Colleagues and Friends,

The 2016 Great Wall International Translational Andrology and Urology Forum, and Huaxia Medical Forum-Genitourinary Tumor (HMF-GUT2016 & GITAU2016) will be held at Tianjin Convention Center, Tianjin, China, April 15–17, 2016. Please visit the meeting website (<http://www.gua-hmf2016.com>) for more information.

HMF-GUT2016 & GITAU2016 is organized by China International Exchange and Promotive Association for Medical and Health Care (CPAM), and cosponsored by Genitourinary Medical Association of China International Exchange and Promotive Association for Medical and Health Care (GUA-CPAM) and Tianjin Urology Research Institute. Co-organizers include Society of Urology of Tianjin Medical Association, Urology Branch of Tianjin Association of Traditional and Western Medicine, Department of Urology and Andrology Center of Peking University First Hospital, journal of *Translation Andrology and Urology (TAU)*. Professor Ying-Lu Guo, the academician of Chinese Academy of Engineering, Prof. Tom F. Lue, professor of urology at University of California, San Francisco, and Professor Ze-Yi Cao, the chairman of International and Promotive Association of CPAM are the honorary presidents of the convention. Prof. Zhong-Cheng Xin,

the chairman of GUA-CPAM and Urology Department of Peking University First Hospital serves as the chairman of the convention. Prof. Yuan-Jie Niu, the vice chairman of GUA-CPAM and Urology Department of Tianjin University Second Hospital is the executive chairman. Prof. Wei-Dong Song, the secretary general of GUA-CPAM and Prof. Chang-Yi Quan from Urology Department of Tianjin University Second Hospital are the secretary-general of the organizing committee. Professors Guiting Lin and Xue-Song Li are the secretary-general of program committee. The theme of this HMF-GUT2016 & GITAU2016 is “Sexual Health, Healthy Longevity, and Genitourinary Malignancies”. The goal of this meeting is to serve as a gateway for basic researchers and clinicians to acquire the most up-to-date knowledge and technical advances in various fields of Genitourinary Medicine and Sexual Medicine; to embrace modern concept of Translational Medicine, to promote basic and clinical research, and ultimately to improve the diagnosis and treatment of Genitourinary Malignancies and Sexual Dysfunction.

We look forward to greeting you at HMF-GUT2016 & GITAU2016, Tianjin, China.
