7. Some Funded Articles Published in AMJ
8. Published Focused Issues
9. Focused Issues in Plan
10. Introduction of the Publisher
1. Basic information

AME Medical Journal (ISSN 2520-0518; AME Med J; AMJ; amj.amegroups.com)

- An open-access, peer-review journal
- The official journal of the AME College
- Covers a wide field in the medical world
- aims to bring comprehensive academic knowledge to young physicians and surgeons in a vivid and interesting way and in turn, benefits patients
2. Message from the Editors-in-Chief

Our renewed and grateful thanks go to all editors, authors, and reviewers who have been supportive, and have devoted much of their time and effort in nurturing AMJ. This continuous support has been pivotal to the development of the journal.

Yaxing Shen, MD
Department of Thoracic Surgery, Zhongshan Hospital, Fudan University, Shanghai, China

Xingshun Qi, MD
Department of Gastroenterology, General Hospital of Shenyang Military Area, Shenyang, China
3. Associate Editors-in-Chief

a. Philippe E. Spiess, MD, MS, FACS
H. Lee Moffitt Cancer Center & Research Institute, Tampa, FL, USA

b. Eric M. Yoshida, OBC, MD, MHSc, FRCP(C), FACP, FACG, FCAHS
University of British Columbia, Vancouver, BC, Canada

c. Zhongheng Zhang, MM
Sir Run-Run Shaw Hospital, Zhejiang University School of Medicine, Hangzhou, China

d. Trana Hussaini, BScPharm, Pharm D, ACPR
University of British Columbia, BC, Vancouver, Canada.
4. Geographic Distribution of Editorial Board Members

All together 40 Members from all over the world

- 2 Editors-in-Chief
- 4 Associate Editors-in-Chief
- 1 Associate Editor
- 33 Editorial Board members
5. Amount and Diverse Types of Articles Published in 2018

AMJ has published 117 articles in total, among which 24% are review articles, 9% are original articles, and 50% are editorials, which are solicited subjective views and opinions on the latest advances/significant studies in the medical field.
6. Geographic Distribution of Corresponding Authors

AMJ authors come from many parts of the world, including USA, Japan, Canada, Germany, UK, etc. The wide international spread of authors is one unique characteristic of the journal.

Among the 117 corresponding authors in 2018, **38% come from USA, 18% from China, 11% from Canada**, with the rest from 16 countries around the world.
7. Some Funded Articles Published in AMJ

AMJ has published a large amount of significant articles from excellent authors, who were supported by various research grants, including the National Institutes of Health Grant, American Heart Association, German Academic Exchange Service (DAAD) to TP, Medica Sur Clinic & Foundation, and many others from different countries and foundations.
