

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/jphe-22-52	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	No
2	If not, would you like to share the reason for your decision?	The authors confirm that some access restrictions apply to the data. The researchers interested in using the data must obtain approval from the committee ethics board of the University of Santo Tomas College of Nursing. In addition, the researchers using the data are required to follow the terms of a number of clauses designed to ensure the protection of privacy and compliance with the relevant Data Privacy Act of the Philippines. Data requests may be subject to further review by the Ethics Committee and may also be subject to individual participant consent.
3	What data in particular will be shared?	-
