Erratum to: Gland Surg 2021;10:2966-77

In the October 2021 issue of *Gland Surgery*, the article “Simultaneous nipple reconstruction in autologous breast reconstruction” authored by Dr. Lee *et al.* (1) was published with an error in the *Figure 2*. On the second row of the figure, the right circle diagram ‘PM’ should be revised to ‘TM’. The figure legends remain intact.

The whole *Figure 2* should be corrected as:

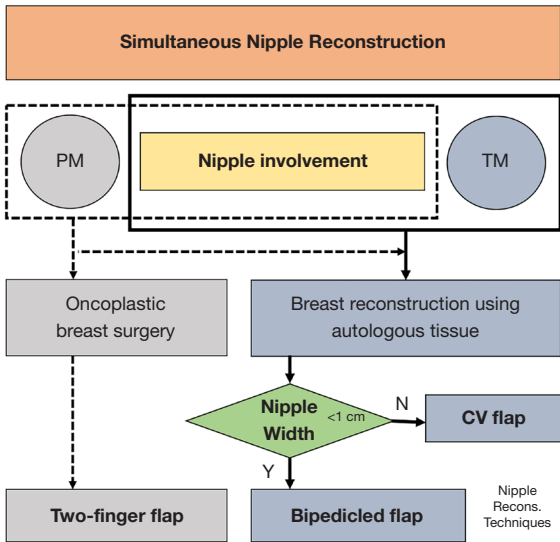

Figure 2 Algorithm for simultaneous nipple reconstruction in immediate breast reconstruction using autologous tissues. PM, partial mastectomy; TM, total mastectomy; Recons, reconstruction.

We are sorry for the inconvenience caused.
