Erratum to: Gland Surg 2015;4:301-306

The presentation of lymph nodes in Hashimoto's thyroiditis on ultrasound

In the article entitled "The presentation of lymph nodes in Hashimoto's thyroiditis on ultrasound" that appeared on Page 301-306 (1) of the August 2015 Issue of *Gland Surgery* (GS), there was an error. The correction is as follows:

In the page 302, the second paragraph of "Result" section, the second sentence "In the HT group, mean age was 51.11 ± 14.92 years while the study group's mean age was 53.90 ± 14.91 years." should be corrected into "In the HT group, mean age was 51.11 ± 14.92 years while the control group's mean age was 53.90 ± 14.91 years."

The publisher regrets the error.
