This article (1) titled “Epigenetic hypomethylation and upregulation of GD3s in triple negative breast cancer” (doi: 10.21037/atm.2019.12.23), unfortunately contains an error in Figure 4. Specifically, data from soft agar and transwell experiments in Figure 4 was presented incorrect accidentally, which is from another project. The correct Figure 4 can be found below.

Corrected Figure 4:
