This article (1) titled “Study on the antibacterial activities of emodin derivatives against clinical drug-resistant bacterial strains and their interaction with proteins” (doi: 10.21037/atm.2019.12.100), unfortunately contains an error in Figure 3, in which the Figure 3D was erroneously uploaded as Figure 3C. This mistake was made in the process of image editing, as there are only minor differences between the two images (Figure 3C and Figure 3D). The corrected version of Figure 3 can be found below. The interpretation of the results and conclusion of this article remain unchanged.

Corrected Figure 3:
