Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes.
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	Individual sample data for body weight, strain, stiffness, and yield will be shared.
4	Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	None.
5	When will data availability begin?	From publication date.
6	When will data availability end?	Data availability will end at 5 years from the publication date.
7	To whom will you share the data?	People working on orthopedic finite element modeling.
8	For what type of analysis or purpose?	Data will be available for the purpose of comparing raw results to other finite element studies.
9	How or where can the data/documents be obtained?	Emails could be sent to the address below to obtain the shared data: Ben.gadomski@colostate.edu
10	Any other restrictions?	None.
