Erratum to: Ann Transl Med 2021;9:1021.

This article (1) titled “Prostaglandin F<sub>2</sub> $\alpha$  protects against pericyte apoptosis by inhibiting the PI3K/Akt/GSK3 $\beta$ / $\beta$ -catenin signaling pathway” (doi: 10.21037/atm-21-2717), unfortunately contains an error in *Figure 1*. In *Figure 1A*, the HE staining of STZ group should be corrected as it was mistakenly uploaded. This change does not affect the current result and conclusion of this article.

The corrected *Figure 1* is presented below:
