This article (1) titled “The effects of the oral administration of graphene oxide on the gut microbiota and ultrastructure of the colon of mice” (doi: 10.21037/atm-22-922) unfortunately contains an error in *Figure 3*. In *Figure 3A*, the magnified tissue image from the Control group for the GO60 group was mistakenly used. Correct *Figure 3* is presented below. This correction does not affect or change the final results or conclusions of the study.
