

Data Sharing Statement

Article Info	http://dx.doi.org/10.21037/atm-20-624A	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	The analytical data of the study parameters will be shared.
4	Any other documents will be share? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	The statistical analysis plan and informed consent will also be shared if requested.
5	When will data availability begin?	From publication date.
6	When will data availability end?	Two years within the publication date, since actual literature may be updated over time.
7	To whom will you share the data?	Medical researchers, who are interested in the present topic.
8	For what type of analysis or purpose?	For analysis to investigate possible interactions between metabolic pathways.
9	How or where can the data/documents be obtained?	Emails should be sent to the address below to obtain the shared data: enko.dietmar@gmx.at
10	Any other restrictions?	We may balance the potential benefits and risks for each request and then provide the data that could be shared.
