Erratum to: Ann Transl Med 2020;8:1228

*Comprehensive bioinformatics analysis of the TP53 signaling pathway in Wilms' tumor*

In the article that appeared on Page 1288, Vol 8, No 19 (October 2020) Issue of the *Annals of Translational Medicine* (1), in the published abstract, “MDM2 was significantly overexpressed in the Yusenko Real (P=0.058)”, (P=0.058) should be (P=0.005); and in Results of the main text, “MDM2 was significantly overexpressed in the Yusenko Real dataset (P value =0.05)”, (P value =0.05) should be (P value =0.005).

We apologize for the error.
