

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/atm-21-1971	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes, but only if you get the data use license from Jiading District Health Information Center and Shanghai Stroke Service System. Jiading District Health Information Center is a health professional information institution directly under Jiading Health Commission. It also undertakes the construction and maintenance of the e-government system of Jiading Health Commission, carries out the integration project of the district's medical and health information resources, and carries out the research on the health policy of direct reporting of health statistics.
2	If not, would you like to share the reason for your decision?	The data that support the findings of this study are available from Jiading District Health Information Center and Shanghai Stroke Service System but restrictions apply to the availability of these data, which were used under license for the current study, and so are not publicly available. Data are however available from the authors upon reasonable request and with permissions from these two institutions.
3	What data in particular will be shared?	All data would be shared with the permissions.
4	Any other documents will be share? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	Statistical analysis plan and analytic code will be share with the publication upon request.
5	When will data availability begin?	The data will be available after the publication only if the permissions issued by the Jiading District Health Information Center and Shanghai Stroke Service System.
6	When will data availability end?	According to the third-party permission.

7	To whom will you share the data?	Anyone with the third-party permission and reasonable requirement.
8	For what type of analysis or purpose?	Non-commercial and research.
9	How or where can the data/documents be obtained?	Anyone can always contact us with the email address of yvqianc@163.com . Once you get the data use license we mentioned above, we will be glad to share our data.
10	Any other restrictions?	All the restrictions are followed by the restriction of Jiading District Health Information Center and Shanghai Stroke Service System.
