Erratum to: Ann Transl Med 2020;8:1002

After publication of the original article entitled “STAT1-p53-p21 axis-dependent stress-induced progression of chronic nephrosis in adriamycin-induced mouse model” (1), it was noted that the *Figure 1B* was incorrectly published. Corrections are needed due to carelessness on the part of the authors during the manuscript production process.

The HE staining in *Figure 1B* were placed incorrectly, and the correct version of *Figure 1* is attached as below.

The change did not affect the results or conclusion of the study.
