

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/atm-21-4008	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes.
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	The clinical data and lipidomics data in particular will be shared.
4	Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	Statistical analysis plan, informed consent form, clinical study report, and analytic code will also be shared if requested.
5	When will data availability begin?	From the publication date.
6	When will data availability end?	Three years within the publication date, since the analytical methods and techniques may be updated over time.
7	To whom will you share the data?	Researchers in related fields.
8	For what type of analysis or purpose?	For analysis of lipid changes in pneumonia.
9	How or where can the data/documents be obtained?	These research documents are available from the corresponding author on reasonable request, and we will make a reply as soon as possible.
10	Any other restrictions?	We may balance the potential benefits and risks for each request and then provide the data that could be shared.
