Erratum to: Ann Transl Med 2019;7:622

In the article (1) “Ophiopogon japonicus inhibits radiation-induced pulmonary inflammation in mice” (Ann Transl Med 2019;7:622. doi: 10.21037/atm.2019.11.01), there is an error in Figure 1, e.g., the HE staining pictures of control group (Figure 1A,1B) was mistakenly placed using the same pictures of combination treatment group.

The correct version of Figure 1 is attached as below. The authors confirm that the error does not affect the result and conclusion of the article.
