

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/atm-22-458	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes.
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	Any data will be made available upon reasonable request.
4	Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	The study protocol and analytical documents will be made available upon reasonable request. Informed consent forms and other documents containing identifiers will not be shared to protect patient privacy.
5	When will data availability begin?	Data will be made available within two weeks of request made via email to the corresponding author.
6	When will data availability end?	-
7	To whom will you share the data?	Data/documentation will be made available to other researchers seeking access who provide a clear objective and purpose for obtaining the data.
8	For what type of analysis or purpose?	Data will be made available for secondary analysis as deemed reasonable by the study team.
9	How or where can the data/documents be obtained?	Data/documents can be obtained via email to the corresponding author.
10	Any other restrictions?	-
