

ICMJE DISCLOSURE FORM

Date: May 31, 2022

Your Name: Robert W. Arnold

MANUSCRIPT TITLE: The impact of autostereoscopic screens on assessing depth perception

Manuscript number : ATM-2022-14

In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are related to the content of your manuscript. "Related" means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author's relationships/activities/interests as they relate to the current manuscript only.

The author's relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report all support for the work reported in this manuscript without time limit. For all other items, the time frame for disclosure is the past 36 months.

Please summarize the above conflict of interest in the following box:

The author is board member of PDI Check which has developed a vision screening game for Nintendo 3DS, and has patent "Systems and Methods for Eye Evaluation and Treatment." The author also coordinates the Alaska Blind Child Discovery (ABCD) charitable research project which has received discounted vision screening technology from several vendors.

Please place an "X" next to the following statement to indicate your agreement:

X I certify that I have answered every question and have not altered the wording of any of the questions on this form.
