Erratum to: Ann Transl Med 2022;10:40

In the article (1) entitled “Modification of STIM2 by m⁶A RNA methylation inhibits metastasis of cholangiocarcinoma”, two errors were found in figures and author information.

Firstly, the authors accidentally used the incorrect version of the Figure 2G. The corrected Figure 2G can be found below.

Finally, there are some mistakes in the authors' information.

The order of the 2th author Hao Zheng should be moved to be the 5th author and the superscript “#” of Hao Zheng should be removed. The correct authors' information and contributions are as follows:

Feng-Qiu Chen^{1#}, Ting Gu^{2#}, Yu-Hua Hu^{2#}, Le Yang³, Hao Zheng⁴, Zhi-Ping Huang⁵, Guang-Lei Qiao⁶, Hong-Jie Li⁷

¹The Department of Biobank, Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine, Shanghai, China; ²Department of Oral Pathology, Shanghai Jiao Tong University School of Medicine, Shanghai, China; ³National Liver Tissue Bank, Eastern Hepatobiliary Surgery Hospital, Second Military Medical University, Shanghai, China; ⁴The Third Department of Hepatic Surgery, Eastern Hepatobiliary Surgery Hospital, Second Military Medical University, Shanghai, China; ⁵Department of Hepatobiliary Surgery, General Hospital of Southern Theatre Command, Guangzhou, China; ⁶Department of Oncology, Tongren Hospital, Shanghai Jiao Tong University School of Medicine, Shanghai, China; ⁷Department of General Surgery, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine, Shanghai, China

Contributions: (I) Conception and design: ZP Huang, GL Qiao, HJ Li; (II) Administrative support: FQ Chen; (III) Provision of study materials or patients: L Yang; (IV) Collection and assembly of data: All authors; (V) Data analysis and interpretation: All authors; (VI) Manuscript writing: All authors; (VII) Final approval of manuscript: All authors.

[#]These authors contributed equally to this work.
