

Data Sharing Statement

Article Info	http://dx.doi.org/10.21037/cdt-20-934	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes, at reasonable request
2	If not, would you like to share the reason for your decision?	---
3	What data in particular will be shared?	Only aggregate data, i.e. summary tables and figures; no individual patient data or listings will be shared
4	Any other documents will be share? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	The observational plan is publicly available; the SAP can be made available upon request
5	When will data availability begin?	From publication date of the submitted manuscript
6	When will data availability end?	After expiration of legal requirements to keep study data on file (2025)
7	To whom will you share the data?	To non-profit organizations for research purposes, at reasonable request to PePH
8	For what type of analysis or purpose?	Requests will be evaluated on an individual basis
9	How or where can the data/documents be obtained?	The observational plan is available under https://www.peph-association.org/index.php/topp-2.html . Other data or documents will be made available upon request only
10	Any other restrictions?	Any analyses of data shall be performed only by the designated PePH statistician
