

ICMJE DISCLOSURE FORM

Date: March 18 2022

Your Name: Xian'e Tang

Manuscript Title: Downregulation of interleukin-1 beta via Jmjd3 inhibition improves post-myocardial infarction depression

Manuscript number (if known): CDT-21-724

In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are related to the content of your manuscript. "Related" means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author's relationships/activities/interests as they relate to the current manuscript only.

The author's relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report all support for the work reported in this manuscript without time limit. For all other items, the time frame for disclosure is the past 36 months.

		Name all entities with whom you have this relationship or indicate none (add rows as needed)	Specifications/Comments (e.g., if payments were made to you or to your institution)
Time frame: Since the initial planning of the work			
1	All support for the present manuscript (e.g., funding, provision of study materials, medical writing, article processing charges, etc.) No time limit for this item.	Science and Technology Committee Foundation of Baoshan District, Shanghai	Grant number 16-E-25, funding managed by Tongji Hospital of Tongji University
		National Natural Science Foundation of China	Grant number 81770395, funding managed by Tongji Hospital of Tongji University
		Science and Technology Committee Foundation of Shanghai	Grant numbers 16411965500 and 16511102802, funding managed by Tongji Hospital of Tongji University
Time frame: past 36 months			
2	Grants or contracts from any entity (if not indicated)	<u>X</u> None	

	in item #1 above).		
3	Royalties or licenses	<input checked="" type="checkbox"/> None	
4	Consulting fees	<input checked="" type="checkbox"/> None	
5	Payment or honoraria for lectures, presentations, speakers bureaus, manuscript writing or educational events	<input checked="" type="checkbox"/> None	
6	Payment for expert testimony	<input checked="" type="checkbox"/> None	
7	Support for attending meetings and/or travel	<input checked="" type="checkbox"/> None	
8	Patents planned, issued or pending	<input checked="" type="checkbox"/> None	
9	Participation on a Data Safety Monitoring Board or Advisory Board	<input checked="" type="checkbox"/> None	
10	Leadership or fiduciary role in other board, society, committee or advocacy group, paid or unpaid	<input checked="" type="checkbox"/> None	
11	Stock or stock options	<input checked="" type="checkbox"/> None	
12	Receipt of equipment, materials, drugs, medical writing, gifts or other services	<input checked="" type="checkbox"/> None	
13	Other financial or non-financial interests	<input checked="" type="checkbox"/> None	

Please summarize the above conflict of interest in the following box:

This work was supported by the Science and Technology Committee Foundation of the Baoshan District, Shanghai (grant No. 16-E-25), the National Natural Science Foundation of China (grant No. 81770395), and the Science and Technology Committee Foundation of Shanghai (grant Nos. 16411965500 and 16511102802). All the relationships/activities/interests listed above has no relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript.

Please place an "X" next to the following statement to indicate your agreement:

I certify that I have answered every question and have not altered the wording of any of the questions on this form.

Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author's relationships/activities/interests as they relate to the current manuscript only.

The author's relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report all support for the work reported in this manuscript without time limit. For all other items, the time frame for disclosure is the past 36 months.

		Name all entities with whom you have this relationship or indicate none (add rows as needed)	Specifications/Comments (e.g., if payments were made to you or to your institution)
Time frame: Since the initial planning of the work			
1	All support for the present manuscript (e.g., funding, provision of study materials, medical writing, article processing charges, etc.) No time limit for this item.	Science and Technology Committee Foundation of Baoshan District, Shanghai	Grant number 16-E-25, funding managed by Tongji Hospital of Tongji University
		National Natural Science Foundation of China	Grant number 81770395, funding managed by Tongji Hospital of Tongji University
		Science and Technology Committee Foundation of Shanghai	Grant numbers 16411965500 and 16511102802, funding managed by Tongji Hospital of Tongji University
Time frame: past 36 months			
2	Grants or contracts from any entity (if not indicated)	<u>X</u> None	

	in item #1 above).		
3	Royalties or licenses	<input checked="" type="checkbox"/> None	
4	Consulting fees	<input checked="" type="checkbox"/> None	
5	Payment or honoraria for lectures, presentations, speakers bureaus, manuscript writing or educational events	<input checked="" type="checkbox"/> None	
6	Payment for expert testimony	<input checked="" type="checkbox"/> None	
7	Support for attending meetings and/or travel	<input checked="" type="checkbox"/> None	
8	Patents planned, issued or pending	<input checked="" type="checkbox"/> None	
9	Participation on a Data Safety Monitoring Board or Advisory Board	<input checked="" type="checkbox"/> None	
10	Leadership or fiduciary role in other board, society, committee or advocacy group, paid or unpaid	<input checked="" type="checkbox"/> None	
11	Stock or stock options	<input checked="" type="checkbox"/> None	
12	Receipt of equipment, materials, drugs, medical writing, gifts or other services	<input checked="" type="checkbox"/> None	
13	Other financial or non-financial interests	<input checked="" type="checkbox"/> None	

Please summarize the above conflict of interest in the following box:

This work was supported by the Science and Technology Committee Foundation of the Baoshan District, Shanghai (grant No. 16-E-25), the National Natural Science Foundation of China (grant No. 81770395), and the Science and Technology Committee Foundation of Shanghai (grant Nos. 16411965500 and 16511102802). There is no profit/non-profit conflict of interest at the duration of the study.

Please place an "X" next to the following statement to indicate your agreement:

I certify that I have answered every question and have not altered the wording of any of the questions on this form.

ICMJE DISCLOSURE FORM

Date: March 18, 2022

Your Name: Wenlin Ma

Manuscript Title: Downregulation of interleukin-1 beta via Jmjd3 inhibition improves post-myocardial infarction depression

Manuscript number (if known): CDT-21-724

In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are related to the content of your manuscript. "Related" means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author's relationships/activities/interests as they relate to the current manuscript only.

The author's relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.
