

## ICMJE DISCLOSURE FORM

Date: Nov. 27<sup>th</sup>, 2022

Your Name: Sarah Yousef

Manuscript Title: Transitioning to robotics in a successful thoracoscopic and laparoscopic thoracic program: Why do it, and how?

Manuscript number (if known): JOVS-22-6

In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are

related to the content of your manuscript. "Related" means any relation with for-profit or not-for-profit third

parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment

to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author's relationships/activities/interests as they relate to the current  
manuscript only.

The author's relationships/activities/interests should be defined broadly. For example, if your manuscript pertains

to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report all support for the work reported in this manuscript without time limit. For all other items,

the time frame for disclosure is the past 36 months.
