This article (10.21037/qims-21-520), that appeared on page 1079-1095, Vol 12, No 2 Issue of *Quantitative Imaging in Medicine and Surgery* (1), unfortunately contained a mistake in Figure 4. Namely, the order of Figure 4B-4F are incorrect so the figure legends do not match the figure. The corrected version of Figure 4 is presented here (Figure 4). The figure legends of Figure 4 remain intact.
