<b>Item</b>	<b>Question</b>	<b>Authors' Response (place "-" if not applicable)</b>
1	Would you like to share data collected for your study to others?	No.
2	If not, would you like to share the reason for your decision?	The datasets generated and analyzed during the current study are not publicly available due to the data privacy protection regulations of The Children's Hospital Affiliated to Zhejiang University School of Medicine, from which all the EMR data were collected. However, we have provided an implementation of our intelligent prediagnosis system and the code of this study project. The implementation of our intelligent prediagnosis system can be viewed at the following website: <a href="http://118.31.50.23:7001/#/doctor">http://118.31.50.23:7001/#/doctor</a> . The examples presented in the implementation are not from real patients and have been invented to demonstrate the ability of our prediagnosis system.
