

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/apm-21-2986	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes.
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	We will share the one-year follow-up data of the FSN group in particular, which has not been reported in the previous studies.
4	Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	Statistical analysis plan, informed consent form, and clinical study report will also be shared if requested.
5	When will data availability begin?	From the publication date.
6	When will data availability end?	One year within the publication date, since the data from subsequent studies will be updated.
7	To whom will you share the data?	Orthopedic surgeons, rehabilitation physicians, pain physicians who are interested in non-specific low back pain.
8	For what type of analysis or purpose?	For analysis to evaluate the therapeutic effect of FSN or massage.
9	How or where can the data/documents be obtained?	Emails could be sent to the address below to obtain the shared data: makunlong666@163.com.
10	Any other restrictions?	We may balance the potential benefits and risks for each request and then provide the data that could be shared.
