

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/jmai-22-42	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Unfortunately, we can't share the data with the journal as the analysis was done using real-world EHR patient data.
2	If not, would you like to share the reason for your decision?	As outlined in the acknowledgment, the data used in this study was provided by 2 NHS trusts under the data protection guidelines specified in the strategic research agreement (SRA) signed between Sensyne Health and the specific NHS trusts. This SRA does not allow Sensyne Health to share any patient data with third parties.
3	What data in particular will be shared?	-
4	Any other documents will be share? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	-
5	When will data availability begin?	-
6	When will data availability end?	-
7	To whom will you share the data?	-
8	For what type of analysis or purpose?	-
9	How or where can the data/documents be obtained?	-
10	Any other restrictions?	-
