

Data Sharing Statement

Article Info	http://dx.doi.org/10.21037/jgo-20-356	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	No
2	If not, would you like to share the reason for your decision?	Because most of this research are limited in vitro experimental studies, the findings might be difficult to generalized to human patients. Also, we are still collecting more cases to verify our current results, so we decided not to share the data now.
3	What data in particular will be shared?	-
4	Any other documents will be share? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	-
5	When will data availability begin?	-
6	When will data availability end?	-
7	To whom will you share the data?	-
8	For what type of analysis or purpose?	-
9	How or where can the data/documents be obtained?	-
10	Any other restrictions?	-
