### *Acute rejection*

In the article that appeared on Page 5440–57, Vol 9, No 12 (December 2017) Issue of the *Journal of Thoracic Disease* (1), there is an editorial error in the legend of Table 2 as: “\*, adapted from the 2016 pulmonary AMR consensus document of the ISHLT. X, absent; O, present. AMR, antibody-mediated rejection; DSA, donor-specific antibodies.”

The correct legend of Table 2 should be shown as: “\*Adapted from the 2016 pulmonary AMR consensus document of the ISHLT. AMR, antibody-mediated rejection; DSA, donor-specific antibodies.”

The publisher regrets the error.
