Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	No.
2	If not, would you like to share the reason for your decision?	The main reason for our reluctance to share data is that the cases in this study are still being followed up, and there are no long-term follow-up results. In addition, the cases in this study were part of a sample in a different study, and their full data will be shared once all studies are completed.
