

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/jtd-21-1314	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes
2	If not, would you like to share the reason for your decision?	
3	What data in particular will be shared?	If requested, we will share the study protocol and de-identified outcomes data (pain medication dosing information, patient-reported pain scores, demographics).
4	Any other documents will be share? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	Early Recovery Program protocol
5	When will data availability begin?	At the time of publication
6	When will data availability end?	Two years following the date of publication
7	To whom will you share the data?	Other interested pediatric and thoracic surgical and research teams
8	For what type of analysis or purpose?	Institutional quality improvement initiatives, meta-analysis
9	How or where can the data/documents be obtained?	Directly from the study investigators. Inquiries should be sent to: ae9md@virginia.edu.
10	Any other restrictions?	We may balance the potential benefits and risks for each request and then provide the data that could be shared.
