Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	No
2	If not, would you like to share the reason for your decision?	Unfortunately, when we submitted a document related with this study to our IRB, we did not comment data sharing of medical records of the enrolled patients. So the data sharing was not approved by our IRB, it seems not to be possible for us to give the data to others.
