

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/jtd-23-470	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes.
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	Echocardiogram images and video files used in the modeling process.
4	Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	The study protocol, statistical analysis plan, and analytic code will be shared if requested.
5	When will data availability begin?	From the publication date.
6	When will data availability end?	Two years within the publication date, since the technique may be updated over time.
7	To whom will you share the data?	Researchers who are interested in our research.
8	For what type of analysis or purpose?	Only for academic research purposes.
9	How or where can the data/documents be obtained?	The artificial intelligence model code, ultrasound images, and video data used in the can be obtained by contacting the corresponding author (email: panxiangbin@fuwaihospital.org).
10	Any other restrictions?	Because the privacy of patients may be involved, data requesters are required to sign a confidentiality agreement with us.
