

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/jtd-23-108	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	No
2	If not, would you like to share the reason for your decision?	According to GDPR and the French regulation concerning health data, we've sent a mail to each patient, telling them that we'll use their data for this research. We're not allowed to share the data unless we've specifically asked to each patient their authorization and even though we're supposed to say where the data are supposed to be used, and for what.
3	What data in particular will be shared?	-
4	Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	-
5	When will data availability begin?	-
6	When will data availability end?	-
7	To whom will you share the data?	-
8	For what type of analysis or purpose?	-
9	How or where can the data/documents be obtained?	-
10	Any other restrictions?	-
