

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/jtd-23-392	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	The crude data without patient identifiers and data regarding statistical analysis will be shared.
4	Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	-
5	When will data availability begin?	From the publication date.
6	When will data availability end?	One year from the publication date.
7	To whom will you share the data?	Fellow researchers who are interested in addressing similar problems in healthcare.
8	For what type of analysis or purpose?	Research involving smoking relapse after surgery and its consequences on overall survival.
9	How or where can the data/documents be obtained?	Emails could be sent to the address mentioned below: Kei.Suzuki@inova.org
10	Any other restrictions?	Each request to obtain data will be evaluated individually and then the data will be shared after considering the potential risks and benefits.
