

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/jtd-24-526	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes.
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	The clinical baseline data and radiomics data of all patients enrolled in this study.
4	Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	The statistical analysis plan and clinical study report will be shared if requested.
5	When will data availability begin?	From the publication date.
6	When will data availability end?	Two years within the publication date, since the radiomics data may be updated over time.
7	To whom will you share the data?	Thoracic Surgeon who are interested in studies of radiomics.
8	For what type of analysis or purpose?	For analysis to evaluate the value of radiomics in predicting the efficacy of immunotherapy in patients with non-small cell lung cancer.
9	How or where can the data/documents be obtained?	Emails could be sent to the address below to obtain the shared data: 1522007275@qq.com.
10	Any other restrictions?	We may balance the potential benefits and risks for each request and then provide the data that could be shared.
