Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	No.
2	If not, would you like to share the reason for your decision?	These results of this study need to be further verified by using an enlarged sample size and multicentral clinical trials, so at this present stage, I would not like to share data.
3	What data in particular will be shared?	
4	Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	
5	When will data availability begin?	
6	When will data availability end?	
7	To whom will you share the data?	
8	For what type of analysis or purpose?	
9	How or where can the data/documents be obtained?	
10	Any other restrictions?
