Erratum to: *Transl Lung Cancer Res* 2022;11:786-801

This article (1) titled “Identification of GPX4 as a therapeutic target for lung adenocarcinoma after EGFR-TKI resistance” (doi: 10.21037/tlcr-22-318), unfortunately contains errors in *Figure 2D* and *Figure 7A*. The bands of KEAP1 in *Figure 2D* should be 13, and “Osimertinib” in *Figure 7A* should be “Gefitinib”. The correct *Figure 2* and *Figure 7* can be found below.

Correct Figure 2:

Correct Figure 7:

The authors apologize for the oversight.
