

Data Sharing Statement

Article Info	http://dx.doi.org/10.21037/ajo-20-84	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	The complete cohort collected of 65 patients with all variables included.
4	Any other documents will be share? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	No
5	When will data availability begin?	From the publication date.
6	When will data availability end?	Five years from the publication date
7	To whom will you share the data?	The data may be uploaded as supplementary materials if desired by AJO. Otherwise, it will be made available to interested parties with valid reason upon request.
8	For what type of analysis or purpose?	For analysis related to improvement of safety and experience of patients with tracheostomies.
9	How or where can the data/documents be obtained?	The AJO may choose to host the data as a supplementary material. If not, it can be accessed by emailing Faruque.riffat@sydney.edu.au
10	Any other restrictions?	Though the data is foreseeably not re-identifiable, discretion will be applied that the data will be used in good faith, if not hosted by AJO.
