On November 11, 2017, the Honor Roll of the Best Comprehensive Hospitals in 2016 has been released by the Hospital Management Institute, Fudan University, China.

The Honor Roll recognizes 100 hospitals for their exceptional comprehensive abilities where reputation of specialties and scientific research ability are among the factors predominantly weighed.

As usual, Peking Union Medical College Hospital, West China Hospital of Sichuan University and General Hospital of the People's Liberation Army easily made the list, respectively ranking the top 3. Moreover, there are several hospitals rising greatly in the list, such as Shanghai Chest Hospital moving up eleven places to 79th and the First Affiliated Hospital of Nanchang University rising ten places to 90th. For an overall list of the Best Comprehensive Hospitals, see *Table 1*: Honor Roll of the

Best Comprehensive Hospitals in 2016.

In the meantime, the Honor Roll of Best Hospitals of Specialties in 2016 has been unveiled as well. Notably, altogether top 10 hospitals are selected in each of these 37 specialties. The specialties range from Pathology, Radiology, Pulmonology, Stomatology, Urology and Psychiatry and others with a rather comprehensive coverage on our daily needs. With no doubt, Peking Union Medical College Hospital, West China Hospital of Sichuan University and General Hospital of the People's Liberation Army, the top 3 comprehensive hospitals, are leading the most entries of the specialties among the list. Some of the entries of hospitals have been heatedly discussed. The top 10 hospitals in each of specialties are listed below, please find details in *Tables 2-38*: Honor Roll of Best Hospitals of Specialties in 2016.
