

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/jhmhp-21-65	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	No
2	If not, would you like to share the reason for your decision?	In our Institutional Review Board (IRB) protocol, we stated that study-related information and data would not be shared with individuals outside of our research team. However, if sharing our data is required/recommended by JHMHP, I can submit an amendment to our IRB requesting the ability to share our de-identified data. If/once approved, I will then be able to share the data.
3	What data in particular will be shared?	-
4	Any other documents will be share? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	-
5	When will data availability begin?	-
6	When will data availability end?	-
7	To whom will you share the data?	-

8	For what type of analysis or purpose?	-
9	How or where can the data/documents be obtained?	-
10	Any other restrictions?	-
