

## ICMJE DISCLOSURE FORM

Date: 31-Aug-2021

Your Name: Franz Wagner

Manuscript Title: Considerations on terminology and database organization for blood group genotyping data

Manuscript number (if known): AOB-2021-BGG-05(AOB-21-42)

In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are related to the content of your manuscript. "Related" means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author's relationships/activities/interests as they relate to the current manuscript only.

The author's relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report all support for the work reported in this manuscript without time limit. For all other items, the time frame for disclosure is the past 36 months.

		Name all entities with whom you have this relationship or indicate none (add rows as needed)	Specifications/Comments (e.g., if payments were made to you or to your institution)
<b>Time frame: Since the initial planning of the work</b>			
1	All support for the present manuscript (e.g., funding, provision of study materials, medical writing, article processing charges, etc.) <b>No time limit for this item.</b>	<u>None</u>	
<b>Time frame: past 36 months</b>			
2	Grants or contracts from any entity (if not indicated in item #1 above).	<u>None</u>	
3	Royalties or licenses	Patents on RHD molecular structure	I have received royalties from patents on RHD molecular structure (weak D and RhD negative) until 2020
4	Consulting fees	<u>None</u>	

5	Payment or honoraria for lectures, presentations, speakers bureaus, manuscript writing or educational events	____ None	
6	Payment for expert testimony	____ None	
7	Support for attending meetings and/or travel	____ None	
8	Patents planned, issued or pending	____ None	
9	Participation on a Data Safety Monitoring Board or Advisory Board	ISBT Working party	Member of ISBT Working Party on red cell immunogenetics and blood group terminology
		Allele database steering committee	Member of steering committee for the ISBT allele database

12	Receipt of equipment, materials, drugs, medical writing, gifts or other services	____ None	
13	Other financial or non-financial interests	RhesusBase	Administrator of the Human RhesusBase

**Please summarize the above conflict of interest in the following box:**

As member of the steering committee for the ISBT allele database and of the ISBT working party on red cell immunogenetics and blood group terminology I am involved in the process of allele naming and defining the needs for a blood group allele database. The opinions expressed in this commentary are those also expressed by me in the discussion processes of the committees but need not be identical to the consensus of these committees. The fact that I administrate the Human RhesusBase might influence the selection of examples or citations.

**Please place an “X” next to the following statement to indicate your agreement:**

**X\_\_ I certify that I have answered every question and have not altered the wording of any of the questions on this form.**
