

## ICMJE DISCLOSURE FORM

Date: 26 October 2021

Your Name: Evan Bloch

Manuscript Title: Transfusion-transmitted infections

Manuscript number (if known): AOB-21-60

In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are related to the content of your manuscript. "Related" means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author's relationships/activities/interests as they relate to the current manuscript only.

The author's relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report all support for the work reported in this manuscript without time limit. For all other items, the time frame for disclosure is the past 36 months.

**Please summarize the above conflict of interest in the following box:**

Dr. Bloch is a member of the U.S. Food and Drug Administration (FDA) Blood Products Advisory Committee. Any views or opinions expressed in this manuscript are Dr. Bloch's and are based on his own scientific expertise and professional judgment; they do not necessarily represent the views of the Blood Products Advisory Committee or the formal position of the FDA and also do not bind or otherwise obligate or commit either the Advisory Committee or the FDA to the views expressed. Dr. Bloch is supported by the National Heart, Lung, and Blood Institute of the National Institutes of Health under award number K23HL151826. The content of this publication is solely the responsibility of the authors and does not necessarily represent the official views of the National Institutes of Health, or US FDA. Separately, EMB reports personal fees and non-financial support from Terumo BCT, Abbott Laboratories and Grifols Diagnostics Solutions, outside of the submitted work.
