3. Message from the Editor-in-Chief

Dear friends,

The SARS-COVID-19 Pandemia is still ongoing and has undoubtedly marked 2021. A new year has just begun, the fifth year of *Laparoscopic Surgery* started. I was delighted to have achieved essential goals last year.

First of all, 52 manuscripts have been published. We had significant participation from all over the world. In 2021 we published 4 Special Series, and 4 Special Series are ongoing. The number of visitors and pages viewed are increasing every year.

On behalf of the editorial team, I would like to express sincere appreciation for the enthusiastic and vigorous support and future contributions from all editorial board members, guest editors, authors, reviewers, and readers.

Sincerely,
Dr. Levi Sandri GB
