

# ANNUAL REPORT (2022)

---

**JOMA** JOURNAL OF ORAL AND MAXILLOFACIAL ANESTHESIA  
A JOURNAL FOCUSING ON FRONTIERS OF ORAL AND MAXILLOFACIAL ANESTHESIA

Editorial Office

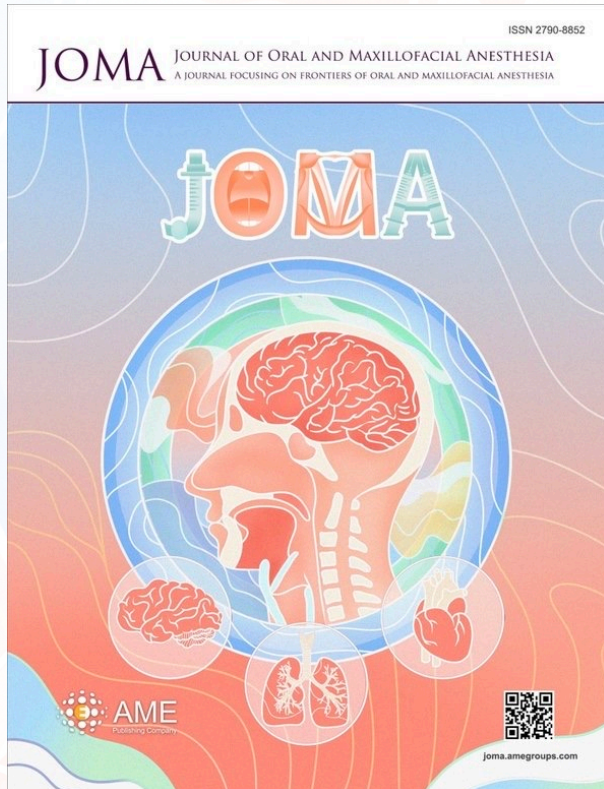

Email: [joma@amegroups.com](mailto:joma@amegroups.com)

Web: <https://joma.amegroups.com/>

## **Outline of the Report**

1. Basic Introduction
2. Honorary Editors-in-Chief, Editor-in-Chief and Executive Editor-in-Chief
3. Editorial Board: Geographical Distribution
4. Publications in 2022: Number, Article Type, Internationality and Most Viewed
5. Users of the Website in 2022
6. Ongoing Special Series
7. Interviews with Outstanding Authors in 2022
8. JOMA in Chinese Edition
9. AME Publishing Company

## 1. Basic Introduction

- Launched in March 2022, ISSN 2790-8852
- International, Peer-reviewed, Open-Access
- Featured with Fast-Track Electronic Publication
- Aim and Scope: to discuss front-line issues and sharing the current situation of anesthesia applied in oral and maxillofacial surgery, head and neck surgery, and otorhinolaryngologic surgery etc, including but not limited to airway management, endotracheal intubation, induction and maintenance of general anesthesia, oral local anesthesia, oral comfort diagnostic and therapeutic procedure, as well as managing complications and emergencies that may arise during the administration of anesthesia

## 2. Honorary Editors-in-Chief

Wei-liu Qiu, MD, PhD

Department of Oral and Maxillofacial Surgery, Shanghai Ninth People's Hospital, College of Stomatology Shanghai Jiao Tong University School of Medicine, Shanghai, China

Zhi-yuan Zhang, MD, PhD

Department of Oral & Maxillofacial - Head & Neck Oncology, Shanghai Ninth People's Hospital, College of Stomatology Shanghai Jiao Tong University School of Medicine, Shanghai Key Laboratory of Stomatology, Shanghai, China

## 2. Editor-in-Chief

Hong Jiang, MD, PhD

Department of Anesthesiology, Shanghai Ninth People's Hospital Affiliated to  
Shanghai Jiao Tong University School of Medicine, Shanghai, China

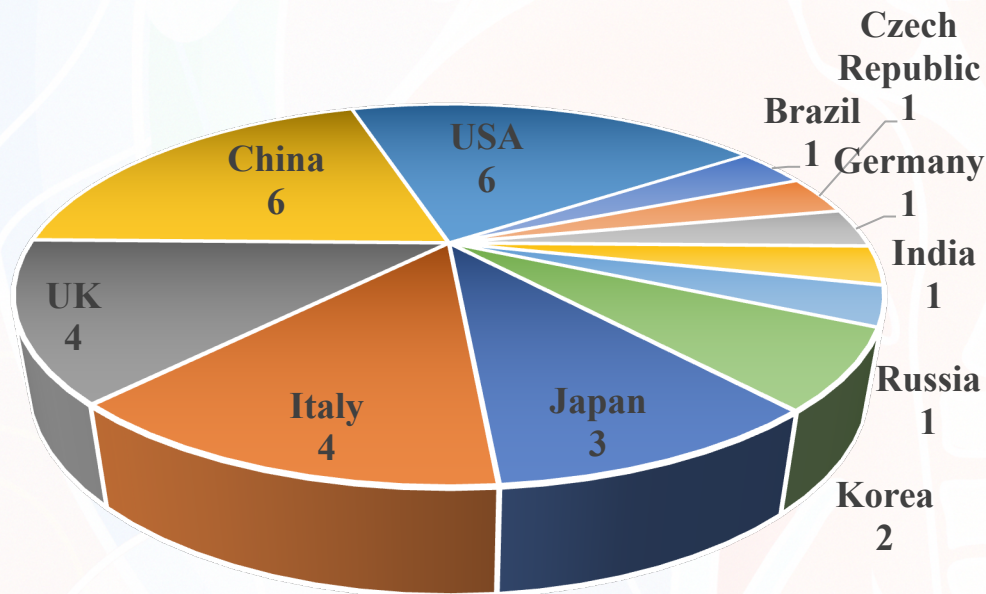

## 2. Executive Editor-in-Chief

Ming Xia, MD, PhD

Department of Anesthesiology, Shanghai Ninth People's Hospital Affiliated to  
Shanghai Jiao Tong University School of Medicine, Shanghai, China

## 3. Editorial Board: Geographical Distribution

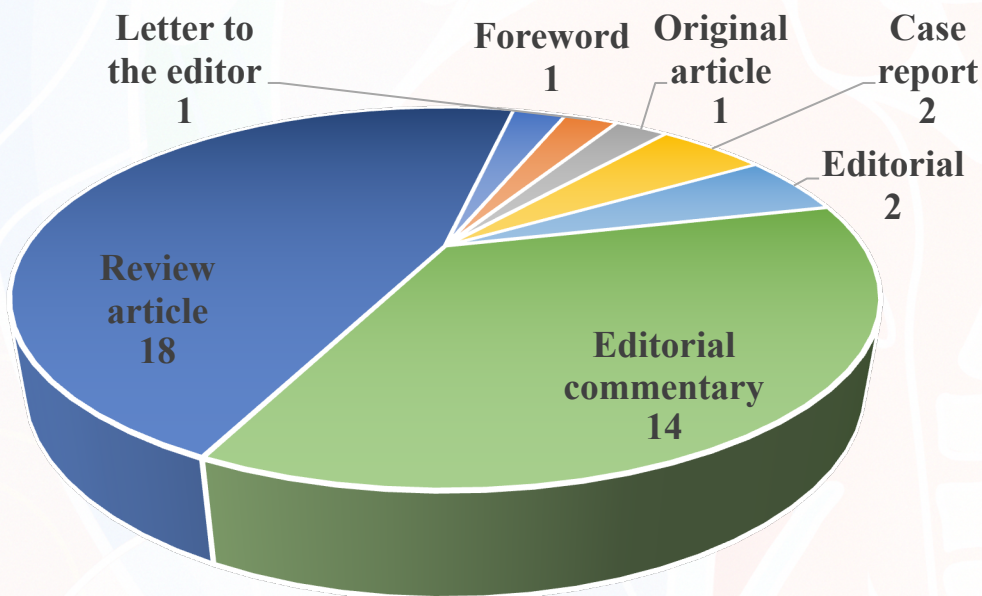

All together **30** members from **11** countries

- ❖ 2 Honorary Editors-in-Chief
- ❖ 1 Editor-in-Chief
- ❖ 1 Executive Editor-in-Chief
- ❖ 26 Editorial Board Members

Updated on December 31, 2022

## 4. Publications in 2022: Number and Article Type

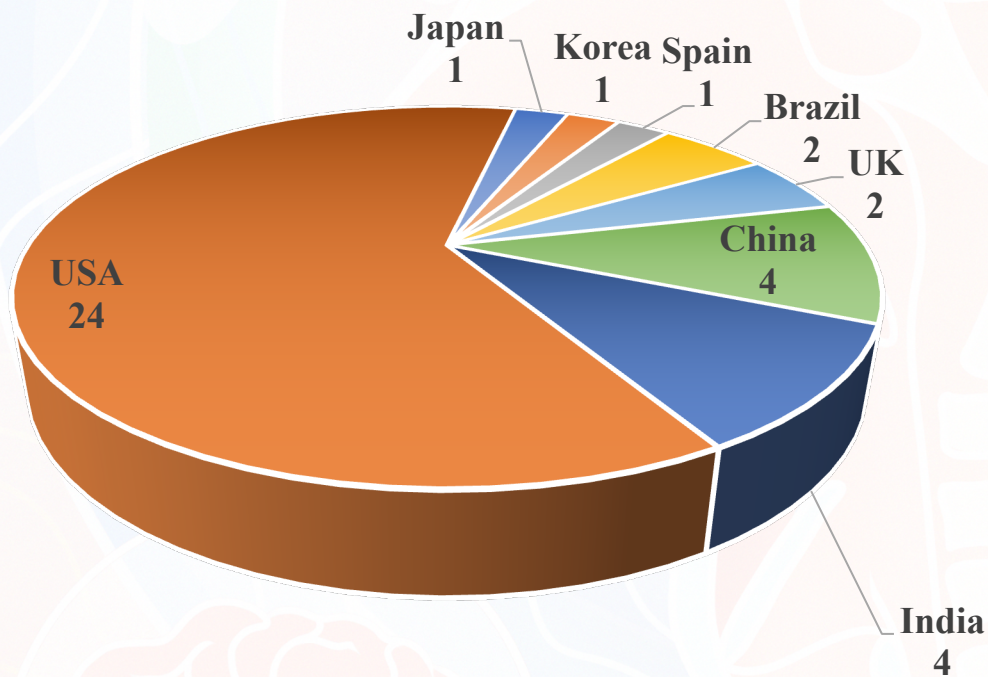

In 2022, JOMA has published **39** articles, including

- ❖ Review article (46%)
- ❖ Editorial commentary (36%)
- ❖ Editorial (5%)
- ❖ Case report (5%)
- ❖ Original article (3%)
- ❖ Letter to the editor (3%)
- ❖ Foreword (2%)

Updated on December 31, 2022

## 4. Publications in 2022: Internationality

In 2022, corresponding authors of **39** articles published in 2022 come from **8** countries, including

- ❖ USA (61%)
- ❖ China (10%)
- ❖ India (10%)
- ❖ UK (5%)
- ❖ Brazil (5%)
- ❖ Spain (3%)
- ❖ Korea (3%)
- ❖ Japan (3%)

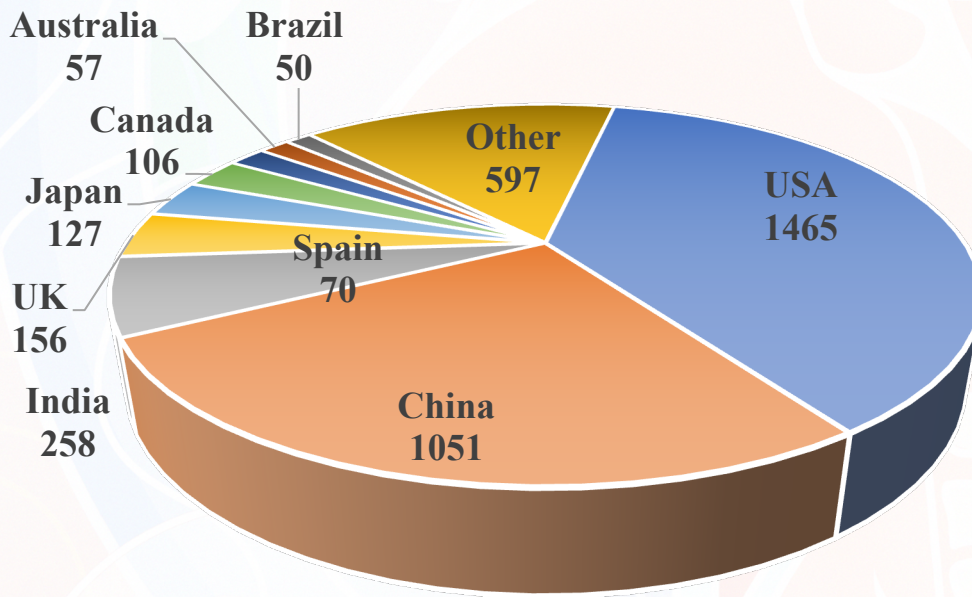

Updated on December 31, 2022

## 4. Publications in 2022: the Top 5 Most Viewed

Title	Corresponding Author(s)	Affiliation
Marijuana and cannabinoid use in clinical oral and maxillofacial surgery: a scoping review	Jingping Wang	Massachusetts General Hospital, Boston, USA
Nerve blocks in the management of acute Temporomandibular disorder emergencies—a narrative review	Mythili Kalladka	Eastman Institute for Oral Health, Rochester, USA
Opioid free anesthesia for facial cosmetic surgery with Friedberg’s Triad	Barry L. Friedberg	Nonprofit Goldilocks Anesthesia Foundation, Newport Beach, USA
Liposomal bupivacaine: a literature review of applications in oral and maxillofacial surgery	Timothy W. Neal	UT Southwestern/Parkland Memorial Hospital, Dallas, USA
Use of injection techniques in orofacial pain emergencies: a narrative review	Sowmya Ananthan	Rutgers School of Dental Medicine, Newark, USA

## 5. Users of the Website in 2022

In 2022, there are **27,268** views and **3937** users come from diverse countries, including

- ❖ USA (37%)
- ❖ China (27%)
- ❖ India (7%)
- ❖ UK (4%)
- ❖ Japan (3%)
- ❖ Canada (3%)
- ❖ Spain (2%)
- ❖ Brazil (1%)
- ❖ Australia (1%)
- ❖ Other (15%)

Other: South Korea, Germany, Italy, Mexico, Netherlands, Saudi Arabia, Thailand, Philippines etc.

Collected from Google Analytics on December 31, 2022

## 6. Ongoing special series

The special series in high quality is a key feature of JOMA. There are **4** ongoing special series edited by distinguished experts in the field.

### **(1) Perioperative Organ Injury: Impact on Surgical Outcomes**

Guest Editors: Daqing Ma (Imperial College London, Chelsea & Westminster Hospital, UK), Zhaosheng Jin (Stony Brook University, USA) and Sanketh Rampes (Whittington Hospital, UK)

#### GUEST EDITORS

DAQING MA; ZHAOSHENG JIN; SANKETH RAMPES

## 6. Ongoing special series

### (2) Anaesthesia for Oral Cancer

Guest Editors: **Patrick A. Ward** (St John's Hospital, UK) and **Michael G. Irwin** (The University of Hong Kong, China)

#### GUEST EDITORS

PATRICK A. WARD; MICHAEL G. IRWIN

## 6. Ongoing special series

### (3) Opioid-free Anesthesia and Opioid-sparing Anesthesia in OMF Surgery

Guest Editors: **Jingping Wang** (Massachusetts General Hospital, Harvard Medical School, USA) and **Christopher Fanelli** (London Health Sciences - Western University, Canada)

GUEST EDITORS

JINGPING WANG; CHRISTOPHER FANELLI

## 6. Ongoing special series

### (4) Orofacial Pain: Diagnostic and Therapeutic Topicals, Nerve Blocks and Trigger Point Injection

Guest Editor: **Mythili Kalladka** (Eastman Institute for Oral Health, USA)

GUEST EDITOR

MYTHILI KALLADKA

## 7. Interviews with Outstanding Authors in 2022

In 2022, many authors make outstanding contributions to JOMA. Hereby, we would like to highlight some of our outstanding authors who have been making immense efforts in their research fields, with a brief interview of their unique perspectives and insightful views as authors. (URL: <https://joma.amegroups.com/post/view/interviews-with-outstanding-authors-2022>)

**Gary M. Heir**

**Mythili Kalladka**

**Bernadette Alvear Fa**

**Andrew Young**

## 8. JOMA in Chinese Edition

The JOMA Chinese edition (the Chinese edition of Journal of *Oral and Maxillofacial Anesthesia*) is a Chinese-language column that addresses the growing need for trusted medical information in China. The initiative of the JOMA Chinese edition aims to raise awareness of medical advances among clinicians through translated content, enhancing the links between Chinese scientists and the international medical community. ### JOMA Chinese Edition

The JOMA Chinese edition (the Chinese edition of Journal of Oral and Maxillofacial Anesthesia) is a Chinese-language column that addresses the growing need for trusted medical information in China. The initiative of the JOMA Chinese edition aims to raise awareness of medical advances among clinicians through translated content, enhancing the links between Chinese scientists and the international medical community.

The translation of a selection of full-text content from JOMA applies rigorous standards to ensure accuracy and quality control. The JOMA Chinese edition will deliver the quality clinical and scientific content to the Chinese medical and clinical research community.

#### 神经阻滞和介入疗法在颞下颌关节紊乱病治疗中的应用：一项范围综述

Posted on 2022-12-15 17:30:49  
颞下颌关节紊乱病 (TMJD) 是一种影响颞下颌关节 (TMJ)、咀嚼肌和相关结构的复杂疾病。

**背景:** 颞下颌紊乱 (temporomandibular disorder, TMD) 在诊断和管理方面往往具有重大挑战。颞下颌关节 (temporomandibular joint, TMJ) 是参与咀嚼、说话的主要关节，也在一定程度上参与呼吸等活动。它在进行日常活动时承受持续的作用和摩擦。TMD会严重影响患者的生活质量。本综述的目的是讨论注射治疗作为方便、经济、微创的治疗方案在颞下颌关节紊乱病 (temporomandibular joint disorder, TMJD) 中的应用。

**研究方法:** 本综述使用的数据库为PubMed (Medline)、Scopus和Google Scholar，通过“TMDs”、“颞下颌紊乱”、“颞下颌关节紊乱”、“关节穿刺”、“关节镜”、“关节内注射”和“神经阻滞”等关键词确定了8,567篇文章。经过排除后，共有69篇在1974年1月1日—2021年12月31日以英文发表的文章被纳入研究。
