Munich, Germany

12. Reviewer of the Month (2024)

In 2024, CDT reviewers continue to make outstanding contributions to the peer review process. They demonstrated professional effort and enthusiasm in their reviews and provided comments that genuinely help the authors to enhance their work.

Hereby, we would like to highlight some of our outstanding reviewers, with a brief interview of their thoughts and insights as a reviewer. Allow us to express our heartfelt gratitude for their tremendous effort and valuable contributions to the scientific process.

January, 2024

Dzmitry Matsiukevich, Washington University, USA

February, 2024

Tamara García-Camarero, Hospital Universitario Marqués de Valdecilla, Spain

March, 2024

Marcelino Cortés, Hospital Universitario Fundación Jiménez Díaz, Spain

April, 2024

Nils Johnson, University of Texas, USA

May, 2024

Rosa Suades, Institut de Recerca Sant Pau, Spain

June, 2024

Anders Wickbom, Orebro University Hospital, Sweden

July, 2024

Claudio Laudani, University of Catania, Italy

October, 2024

Yoshiyuki Yamashita, Lankenau Medical Center, Japan

13. Interviews with Outstanding Authors (2024)

In 2024, many CDT authors make outstanding contributions to our journal. Their articles published with us have received very well feedback in the field and stimulate a lot of discussions and new insights among the peers.

Hereby, we would like to highlight some of our outstanding authors who have been making immense efforts in their research fields, with a brief interview of their unique perspective and insightful view as authors.

Outstanding Authors (2024)

Sarah M. Bernhard, Bienna Hospital Center, Switzerland

Amin Daoulah, King Faisal Specialist Hospital and Research Centre, Saudi Arabia

Katharina Weiss, Coburg University of Applied Sciences, Germany

Julio Garcia, University of Calgary, Canada

Hae Won Jung, Daegu Catholic Medical Center, South Korea

Filippo Cademartiri, Fondazione G. Monasterio CNR - Regione Toscana, Italy

Fu-Zong Wu, National Yang-Ming Chiao Tung University, Taiwan

Yu Kataoka, National Cerebral & Cardiovascular Center, Japan

14. Interviews with Editorial Board Members (2024)

CDT features a distinguished editorial board, the members of which continue to instill the power of their expertise for the journal's development. By launching this column, we are glad to introduce to you some of them in the form of interviews, in which they will share their unique career experiences and perspectives. We believe their insights will shed light on the knowledge of related fields.
